About Learning Python, 2nd Edition. Overview. Main support page: here.. A 2nd Edition of the book Learning Python is in production, and will be available soon. I submitted a full draft of the new core language material on January 9th, and finished a final draft on June 9th (and a final final draft on July 6th).

Manning | Deep Learning with Python, Second Edition

Some of the code can also run in Python 2.7, either as it is or with minor tweaks, but at this point in time, I think it's better to learn Python 3, and then, if you need to, learn the differences it has with Python 2, rather than going the other way around. Don't worry about this version thing though; it's not that big an issue in practice.
